

## *Why Should I Be a Member of My Chamber of Commerce*

**Because** the Chamber of Commerce unifies the public spirit of my community and directs it into useful and constructive channels.

**Because** I have a business stake in this community that can best be safeguarded by working with others through the Chamber of Commerce to protect and advance all business.

**Because** my support is "plowed back" to yield many fold benefits in new industry, increased payrolls, health, safety, legislation, business protection and community advancement.

**Because** through the Chamber of Commerce I can best meet my obligations to this community in which I live and earn my living. I realize that every person owes a debt to the community that cannot be paid in taxes - a debt of personal service.

**Because** involvement and membership in my Chamber of Commerce carries with it a sense of accomplishment and inner satisfaction from the knowledge that I am doing my share in an important job.

Although everyone in the community benefits from the work of the Chamber of Commerce. I can accept those benefits with a sense of pride ONLY if I have had a part in bringing them about.
